ABOUT OUR WINE PROGRAM

This list has been shaped by years spent walking vineyards and sharing meals in some of the world's most storied winemaking regions. From Bordeaux, Burgundy, and the Rhône Valley to the rolling hills of Italy, the celebrated landscapes of California, Oregon, and beyond, Rich Clark and our team of sommeliers have been drawn not only to the wines themselves, but also to the culture, craftsmanship, and precision behind every bottle.

Experiencing terroir firsthand alongside regional cuisine and local culinary traditions has given us a deeper understanding of each wine's character. That perspective guides the selections we offer today. Chosen without constraint, these wines reflect some of the purest expressions of place, with every bottle offering an authentic sense of origin.

We are pleased to share this list as an expression of our experiences, standards, and commitment to exceptional dining. Whether you are discovering something new or returning to a familiar favorite, our collection has been curated to bring harmony to the plate, the glass, and the experience shared around our table.
